

One Acquisition Solution for Integrated Services Plus (OASIS+)

Overview

The OASIS+ contract is one of the U.S. Government’s premier Best-in-Class (BIC), Multiple Award, Indefinite-Delivery, Indefinite-Quantity (MA-IDIQ) vehicles, designed to redefine how professional services are delivered. It’s a mission-critical platform for the next generation of solutions.

Evans provides Technical and Engineering (T&E) services under OASIS+ Total Small Business (SB) and Unrestricted (UNR) Contracts. Evans’s mission-driven experts are dedicated to aligning innovative Technical & Engineering services with the critical requirements of federal agencies.

Differentiators

LEADING-EDGE SCIENCE

We apply proven principles. Our work is rooted in evidence, combining proven psychology methods and practical management principles to amplify strategy.

EXPERIENCE-BASED INSIGHT

We understand what works – decades of first-hand experience supporting federal agencies forged our impact-defining foundation.

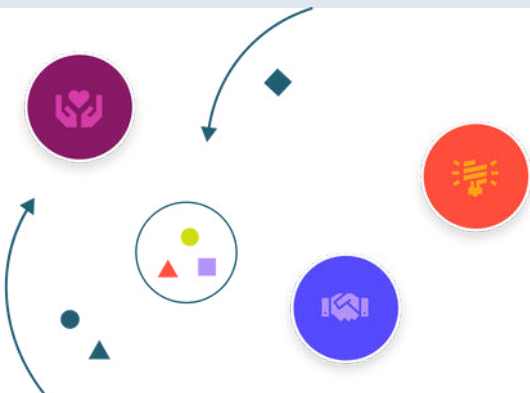

PRACTICAL SKILLS AND TOOLS

We develop real-world skills. We know what makes great leaders, teams and cultures, and train people for what's needed to achieve the mission.

ON-THE-GROUND SUPPORT

We guide your journey. We seek to solve the real problem and work closely to develop leaders, support teams, and design systems that not only manage issues but address them.
